Greetings!

The New Year is upon us! As we gather with friends and family hoping for good health and fortune in the coming year, we hope the same for each and every Child Foundation student. This year, we are centering them on our haft seen with #seenisforstudent and the Nowruz gifts that will help them this year. Check out the Nowruz eidis we are sending.

On behalf of the Child Foundation staff, volunteers, and students, I want to thank you for your support. May this coming year be all that you and your loved ones hope for. May more children have increased access to quality education. And may the face of the future be brighter, one child at a time.

Nowruz mobarak!

P.S. For our children in Afghanistan, the last year has been especially difficult. Learn more about our work fighting hunger, supporting wellness, and helping children thrive in school.

Did you know you can launch your own fundraiser for Child Foundation?

Hamid has begun a campaign to raise awareness and funds to knock down the barriers that keep kids from getting a good education in countries like Iran, Afghanistan, Cambodia, India, Indonesia, Nepal, and Tajikistan. He ran in Houston Marathon on Jan 14, 2022, to support the children's education and on behalf of all those who contributed to his campaign. If you want to host a small fundraiser of your own, either online or in-person, you can set up your own fundraiser page here.
Child Foundation’s legal means of aid to Iran

Child Foundation is proud to stand by disadvantaged children in need of education in Iran and also those harmed by disasters. All of our humanitarian and emergency support in Iran, and other countries where we support children, is in compliance with best practices of charities and laws, including sanctions imposed on Iran.
